## PUBLIC SCORCHES RING.

### FAVORITES MAKE A CLEAN SWEEP AT SHEEPSHEAD BAY.

Fred Cook Scores a Double with Tom Dolan and Johnnie Blake—Monfort Wins the Dolphin Stakes.

New York, September 3.—Notwithstanding the muddy track conditions at Sheepshead Bay this afternoon, favorites swept the card and the ring was hard hit. There were about 15,000 people present and 355 layers were in line. It is claimed that the bookmakers lost nearly a half million dollars.

Fred Cook scored a double and it is said he won over \$25,000 on the victories of his two horses. Tom Dolan, with Voorhees as his only opponent, easily won the second race. Johnnie Blake, showing his true form, won the Partridge Stakes, three-quarters of a mile on the turf, practically as Nicol pleased. Castlewood got second place in a drive with Dennis Stafford, which was pocketed in the early stages. John Marrs, the heavily backed second choice, was never dangerous.

Monfort took the lead early in the race for the Dolphin Stakes, held it throughout and after being hand ridden to stall off the challenge of the greatly improved Smiling Tom, won by a length. Dashaway, which was beaten a head for third place by Killaloe, was sold during the morning by John E. Madden to Frank O'Neill for \$3,500.

Rosenb was so much the best in the race for all ages, with which the sport opened, that he led all the way and won unextended. The two-year-old Firestone, after being held at the post and getting away poorly, ran a creditable second. Welbourne won the fifth race easily, and Dixon Belle was clearly the best in the closing number.

James B. Brady announces that he has decided to retire Oiseau and Water Light to the stud.

John E. Madden is planning a trip to Europe the coming winter. W. H. Snyder will manage Hamburg Place during Madden's absence.

Newton Bennington is about to undergo another severe surgical operation, the third this year.

### MAY TAKE BUTLER TRACK INTO FOLD.

Much, However, Depends Upon the Court's Decision in the Yonkers Case.

"While it is true that a quiet tip was passed around before the Yonkers meeting began which kept many horsemen away, the fact remains that these same horsemen could have raced there and got some of the money without jeopardizing their chances on the Jockey Club's tracks," says the New York Sun. "The members of the Yonkers, too, who stuck to Saratoga probably see now that they could have booked at Empire City. But there is just this about Empire City: The matter will be taken to the Court of Appeals shortly, and if a decision is rendered favorably to the State Racing Commission and the Jockey Club it is probable that an attempt will be made by at least one big man in racing to shut the Butler track out of the game altogether, although in such an attempt this man will probably find determined opposition on the part of other members of the Jockey Club and Mr. Butler himself. If a decision is handed down against the State Racing Commission it is said that all the members of that body will forthwith resign.

"Meanwhile the metropolitan public has demonstrated the fact that a race meeting here in August will pay. With all sorts of handicaps to deal with in the way of poor horses, incompetent jockeys and hurried preparations, the Empire track cleared \$90,000 in profits. With opposition at Saratoga, it was believed that the Butler meeting would be a complete frost, but the public evidently wanted racing here, and the expected frost was quickly turned into a golden harvest. Mr. Butler intends to practically rebuild the track before another year. He has planned to put the present grandstand and a new structure on the same lines on the other side of the track, where he owns a large strip of property, affording plenty of room for increased accommodations of all kinds. From Wakefield railroad station, less than half a mile away, a spur will be constructed into a regular yard where there will be ample track room for special trains.

"All these changes will be made, it is said, no matter what may be the result of the present court proceedings. The easiest way out of the whole tangle, it would seem, is to take Mr. Butler's track into the fold and grant a fair quota of dates. Many persons are inclined to believe that the Jockey Club will make this move, permitting Yonkers to open and close the metropolitan season next year instead of Aqueduct. In order to do this the other tracks would have to relinquish a few days each, while it is practically a cinch that Saratoga would get eighteen days clear in August. But just how such a deal would strike Mr. Butler and his friends is a problem hard to solve, especially as it is known that Empire City wants to race exclusively in August, when there is no such sport in this part of the state."

### HEARING RECEIVERSHIP CASE.

New Orleans, La., September 3.—In the hearing of the application of Messrs. Bordes and Darnes for a receiver for the Louisiana Racing and Driving Club, testimony has been introduced to show that the financial management of the track under William Rabb has been loose and unsystematic. An expert accountant testified that the assets of the club are \$37,078.27, consisting of the plant, which is valued at \$31,877.35, and cash on hand amounting to \$5,200.92. Against this is issued \$22,450 worth of paid-up stock, leaving a profit of \$14,628.27. The expert went on to explain that if the court allows the \$15,000 worth of bonus stock voted Rabb, Larroix and Finnan there will be a loss of \$372. The plaintiffs will close their case tomorrow, and the defendant's side of the controversy will be heard.

## CONDENSED HISTORY OF THE FLYING HANDICAP.

The Flying Handicap is an event devised for three-year-olds gifted with a great flight of excessively high speed and has fallen to such shining examples as Domino, Bendoran, Toluca, Dublin, Hatasoo, Shot Gun, Broomstick and Inquisitor, while such other great sprinters as Tremargo, Typhoon II., Swiftmas, Heliobas, Hesper, Blue Girl and Lady Amelia have had to submit to defeat in essaying to win its honors. Its fifteenth running occurs this afternoon and its record is as follows:

## CONDENSED HISTORY OF THE GREAT FILLY STAKES.

The Great Filly Stakes is one of the most important events of each recurring year for two-year-old fillies and promises to furnish a highly interesting and well contested race this afternoon, one over which the shrewdest judges of form might easily go astray, so well matched are the carded contestants. Since its institution this race has always been won by a high-class performer, except last year, when it fell to the rather moderate Killaloe. Its other winners, Blue Girl, Girdle, Beldame, Artful and Running Water, were all stars, it being doubtful if Artful ever had an equal in this country. The record of the race is as follows:

| Year. | First.        | Jockeys.   | Wt. | Second.      | Wt. | Third.         | Wt. | Val.     | Time. |
|-------|---------------|------------|-----|--------------|-----|----------------|-----|----------|-------|

## THIRTY LEADING OWNERS.

In winning the Futurity, Colin scored the only success that came to the stable of James R. Keene last week; but in glory and money that was a big week's work. The \$26,640 won by Colin Saturday represents nearly one-half of the entire amount won by the thirty leading owners last week. The standing for the season to and including the racing of Saturday being as follows:

| Owner.            | 1st. | 2d. | 3d. | Total Winnings. | L. W.    |

## MORGAN IS A DESIRABLE LAD.

Gus Macey and F. J. Pons are at loggerheads over the services of A. Morgan, an apprentice lad, who has been riding with success for Pons in the west. Macey has a contract on the boy which has yet three years to run. Pons, it is said, claims that this contract is invalid, because Macey failed to pay the boy's mother \$15 per month as stipulated in the papers. Macey claims that he can prove that the mother released him from this clause as long as the boy is permitted to earn money by riding for other owners. Pons, it is said, will appeal to the courts in Montana. L. A. Cella and Fred Cook have made offers to Macey for the contract if he can prove his right to Morgan's services.

## SALE OF GATEWAY AND OTHERS.

Gateway, one of the most consistent racers at Seattle, has been purchased by J. S. Curl from the Woods estate. Just what Curl paid for the mare has not been made public. Rosy Light, another of the Woods string, has been purchased by D. A. Ross, the Canadian horseman. It is understood that Frank Flittner and a couple of other horses belonging to this estate, have not yet been disposed of. V. H. Terry, who was trainer for J. S. Wood, is now in the employ of D. A. Ross.

## PHILLIPS WINS HORSE AND MONEY.

Theodore Hemingway and Jake Phillips, two horsemen racing at the half-mile track in New Orleans, after arguing over the respective merits of Malediction and Baleshed, concluded to run the horses a mile for \$500 a side. They talked it over some more and "pressed the bet." Phillips wagering his mare Leda against Hemingway's gelding Ranco that Baleshed would beat Malediction. The race was run last Saturday and Baleshed won by a half length.

## GOOD PRICES FOR FRENCH YEARLINGS

At the Deauville sales ten days ago good prices were realized for yearlings. More than \$355,000 was realized for 287 head, while fifty-eight of the number sold for more than \$2,000 each. It was a record for yearling sales in France. Broodmares also brought good prices, showing the healthy condition of the French turf.

## MORE RAIN AT MONTREAL.

### BLUE BONNETS TRACK IS NOW HEAVY AND HOLDING.

#### Shenandoah the Good Thing of the Day—

#### Rio Grande Wins for New Owner— Close Finish in Steeplechase.

Montreal, Que., September 3.—That which is most desired by the Montreal Jockey Club is a sunshiny afternoon. Saturday it rained, Monday it stormed and today it was showery, and in consequence the Blue Bonnets track was heavy and holding. Yet there was a large attendance and the speculation was brisk. The crowd was increased by the arrival of many turfmen from Fort Erie. The steeplechase produced a driving finish between Arctic Circle and The Chef, the former winning. Jack Barr flattered his backers by going to the front directly after the start and dashing into a big lead. He showed the way until next to the last obstacle when he began to tire and drop back. He was beaten six furlongs for second money.

Rio Grande proved an easy winner in the fifth race. C. Koerner had the mount and rode a confident race. In the early stages he permitted First Mason to set the pace. When called on in the stretch Rio Grande took command and won well in hand.

Shenandoah, backed for a good thing, easily won the sixth race. The going just suited him and he showed much improvement.

Jockey Moreland was among the day's arrivals. Edward Trotter will arrive tomorrow with six horses. These represent the pick of the string he was racing at Fort Erie.

## BALDWIN CONFIRMS THE REPORTS.

### Says George Rose and Barney Schreiber Will Be Part Owners of New Track.

Los Angeles, Cal., September 3.—In an interview given at his Santa Anita Ranch, E. J. Baldwin confirms the recent reports that George Rose and Barney Schreiber are to join him in the building and operation of the track at Arcadia; that the sanction of the Pacific Jockey Club has been received and that a meeting to open Thanksgiving Day will be held next winter. "George Rose and Barney Schreiber will be associated with me in the building of the track and conducting the race meeting," said Mr. Baldwin. "Agreements have been drawn and signed by Schreiber and myself and Rose has accepted the same terms and will sign the agreements when he arrives from Europe. The new jockey club will be formed immediately after he arrives and probably several other wealthy Los Angelenos will be associated with us.

"Everything is thoroughly understood between Rose, Schreiber and myself and President Tom Williams of the Pacific Jockey Club has promised to sanction the meeting and give us dates and protection against outlaw tracks. There will be ample time for finishing the track after the jockey club is organized and we intend to open Thanksgiving Day for a winter meeting. The grading for the track is progressing rapidly. There is only one cause for any delay in starting work upon the grandstand and other buildings and that is the necessity of waiting for the arrival of Rose. After he comes and the jockey club is organized, we will have all the money we will require for finishing the track and the buildings will be rushed to completion.

"Rose will not put on a book at the track, as he has decided to retire from bookmaking and will be actively associated with Schreiber and myself in conducting the business affairs of the jockey club. He, Schreiber and myself have had an understanding for several months and are in perfect accord as regards all plans. Business will go with a rush after Rose comes and the jockey club is organized. The details of selecting a manager, deciding upon the length of the meeting, arranging the stakes and attending to all business affairs necessary for completing the track and holding the first winter meeting will be attended to without delay."

## LIGHTNING STRIKES BARN.

Lexington, Ky., September 3.—During a severe thunderstorm yesterday lightning struck a barn in which ten yearlings were quartered at the farm of Lee Smitha. None of the youngsters was killed, but it is feared that the colt by St. George—Bonita and the colt by Handsel—Merry Comedy were badly injured. A half-brother to John Marrs was in the barn at the time.

## CELLA GETS STAR OF THE SALE.

New York, September 3.—Fifty yearlings, the property of various breeders, were sold by auction at Sheepshead Bay this afternoon for a total of \$17,375. The star of the sale was the bay colt by Sempronius—Nellie Grand, the sister to Advance Guard. After keen competition L. A. Cella got this colt for \$3,000.

## L. WILLIAMS' LICENSE IS REVOKED.

New York, September 3.—Acting upon the recommendation of the stewards of the Empire City Club's meeting, the stewards of the Jockey Club have revoked the license of Leroy Williams, the colored jockey. It was charged that Williams had not put forth his best efforts to win certain races with Carthage, Light Wool and Lillie Turner.

## MANDERS AND GROSS IN TROUBLE.

Jockeys Manders and Gross were indefinitely suspended at Seattle last Thursday. The judges say that they have evidence that these boys have been pulling their own mounts to permit other horses on which they had made wagers to win.

## SCHUYLER WINS ANOTHER STAKE.

New York, September 3.—Schuyler L. Parsons received a cablegram today from W. R. Vanderbilt announcing that his great two-year-old Schuyler, named after the Jockey Club's steward, by Meddler—Louise M. (a half-sister to Martha, dam of Artful), had won one of the big two-year-old French turf fixtures, called the Prix de La Rochelle, last Sunday. This stake is equivalent to our Flatbush. Schuyler is said to be the best colt in France.

## WILLIAM KANE DIES AT SARATOGA.

New York, September 3.—William Kane, assistant clerk of the scales on the Jockey Club tracks, died at Saratoga yesterday as the result of a stroke of apoplexy during the Saratoga meeting. Arthur Van Etton has been appointed to the position held by Mr. Kane.

## PINKERTON'S FUNERAL SERVICES.

New York, September 3.—The funeral services for the late Robert Pinkerton will be held at the Dutch Reformed Church at Brooklyn at 11 o'clock Thursday morning. The body will be shipped to Chicago Thursday afternoon for interment in Graceland Cemetery.

## NOTES OF THE TURF.

Kimball Patterson has signed a contract to train for R. P. Marshall of New York next season.

Johnny Reiff will have the mount on Querido in the St. Leger at Doncaster a week from today.

Alfar, winner of the Grand National Steeplechase at Belmont Park, in the spring, has been thrown out of training.

Max Samuelson and John B. Ewing had a bit of a row in the Phoenix Hotel at Lexington Monday. No blood spilled.

At present few of the race courses in Russia are being used, but horsemen in that country expect more racing the coming year.

Jockey Willie Walsh, who was injured when Vinto fell at Brighton Beach, is out of the hospital and will be back in the saddle, it is expected, within a fortnight.

H. H. Hunn, who has been buying yearlings at the Sheepshead Bay sales, is the man who once owned the good horse Ferrier and was an amateur rider at the eastern tracks.

Montgomery has got over the hurt he sustained at Saratoga and it is likely that he will be one of the starters in the Reapers Stakes tomorrow. Trainer Brown is pointing him for the Annual Champion, to be run a week from Saturday, and he is of the opinion that there is no horse in America capable of beating the son of Pessara two miles and a quarter.

## ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

Inquirer, Chicago. Average is computed on the opening and closing prices.

Stuart, Chicago. If a horse is disqualified for fouling it causes the loss of bets of any sort in which the horse is a factor.

A. M. C., Bowling Green, Ky. When two or more horses are coupled in betting they become in effect one horse, and their running first and second cuts no figure in the odds.

J. M. H., Chicago. A fair price against Desirous under your agreement would be 11 to 10 at the utmost. With Jim Gaffney and Restigouche out she would have been a hot favorite beyond doubt.

S. D. B., Pullman, Ill., and others elsewhere. Place bets on the Hitchcock entry in the Twin City Handicap should be paid, except in cases where the backer indicated in some way that it was Salvidere he was relying on to win, as if, for instance, Salvidere was to go or no bet. As a matter of fact there was no coupled Hitchcock entry in the race, and bookmakers who did not require backers to specify whether it was Dandellion or Salvidere they were backing should pay the price of their own carelessness.
